#### THE ALCHEMY OF RITUAL MURDER

Michael Hoffman, author of *Secret Societies and Psychological Warfare*, and an expert on the Kennedy assassination explains: "What ought to be unambiguous to any student of mass psychology, is the almost immediate decline of the American people in the wake of this shocking, televised slaughter. There are many indicators of the transformation. Within a year Americans

The Tavistock Institute had largely switched from softer-toned, naturally coloured cotton clothing to garish-coloured artificial polyesters. Popular music became louder, faster and more cacophonous. Drugs appeared for the first time outside the Bohemian subculture ghettos, in the mainstream. Extremes of every kind came into fashion. Revolutions in cognition and behaviour were on the horizon, from the Beatles to Charles Manson, from Free Love to LSD.

"The killers were not caught, the Warren Commission was a whitewash. There was a sense that the men who ordered the assassination were grinning somewhere over cocktails and out of this, a nearly-psychedelic wonder seized the American population, an awesome shiver before the realization that whoever could kill a president of the United States in broad daylight and get away with it, could get away with anything.

A hidden government behind the visible government of these United States became painfully obvious in a kind of subliminal way and lent an undercurrent of the hallucinogenic to our reality. Welcome to Oz thanks to the men behind Os-wald and Ruby.

"There was a transfer of power in the collective group mind of the American masses: from the public power of the elected front-man Chief Executive, to an unelected invisible college capable of terminating him with impunity.

"For the first time in their history since the 1826 Masonic assassination of writer William Morgan, Americans were forced to confront the vertiginous reality of a hidden power ruling their world. Sir James Frazer writing in *The Golden Bough: A Study in Magic and Religion*, explains that when the "divine king" is murdered by one who is himself stronger or craftier, those powers of "divinity" which were the king's are "Sympathetically" and "Contagiously" transferred from the vanquished to the victor.

"The entry of this awareness into the subconscious Group 'Dreaming' Mind of the American masses instituted a new simulacrum. The shocking introduction of a diametrically different, new "reality" is a classic scenario of another phase of alchemical programming known to the cryptocracy as 'Clamores.'

"Now the American people were forced to confront a scary alternative reality, the reality of a shadow government, over which they had neither control or knowledge. The shepherding process was thus accelerated with a vengeance. Avant-garde advertising,

### Killing of the King

music, politics and news would hereafter depict (especially in the electronic media) -- sometimes fleetingly, sometimes openly -- a 'shadow side' of reality, an underground amoral 'funhouse' current associated with extreme sex, extreme violence and extreme speed.

"The static images of the suit-and-tie talking heads of establishment religion, government, politics and business were subtly shown to be subordinate to the Shadow State, which the American people were gradually getting a bigger glimpse of out of the corner of their collective eye. The interesting function of this phenomenon is that it simultaneously produces both terror and adulation and undercuts any offensive against it among its percipients, which does not possess the same jump-cut speed and funhouse ambience.

"There is a sense of existing in a palace of marvels manipulated by beautiful but Satanic princes possessed of so much knowledge, power and experience as to be vastly superior to the rest of humanity. They have been everywhere. They have done everything. They run the show that mesmerises us. We are determined to watch it. We are transfixed and desperate to see their newest production, their latest thrilling revelation, even when the thrills are solely based upon the further confirmation of our dehumanization."<sup>13</sup> As author and JFK investigator J.G. Ballard explains: "In this overlit realm ruled by images of the space race and the Vietnam War, the Kennedy assassination and the suicide of Marilyn Monroe, a unique alchemy of the imagination was taking place... The demise of feeling and emotion, the death of affect, presided like a morbid sun over the playground of that ominous decade.

"The role assigned to us is that of zombies called upon by our shadow masters to perform bit parts and act as stock characters in their spectacular show. This mesmerising process produces a demoralised, cynical, double-mind."<sup>14</sup>

Double-mind, as in subliminal messages, as in mysterious synchronicities, as in occult realm which swept through post-war events with a rapier as we looked down the barrel of a gun, exposing the unctuous underbelly of a yet to be identified form. Perception changes ... and we find ourselves back in the cave watching shadows on the wall, believing them to be real.

All the tradition tells us that some "experts" go the wrong way: the "brothers of the left-hand path" or "black magicians." They use their hard-won knowledge and insight to further their own, very

personal, and often very sinister, ends. A program of propaganda, mass trauma, celebrity worship and murder ... reconstituting our cultural archetypes into malleable imprints, an esoteric ride that transcends our current slouching shadow play, nervously awaiting the next shock.

### David DuByne - Embrace the Awakening, Embrace the Cycle: The Water Bearer Returns

We see vast changes are occurring in every aspect of life exactly at the same time across the entire planet. Ask yourself why, and why at this time when vast electromagnetic Earth changes are timelined out through October 2024 as the four gas giants form a square in the outer solar system that was last seen in 79 A.D, that our world is radically changing.

### Johan Oldenkamp - The Giza Star Clock and the Transition of the Ages

In addition to the three larger pyramids, there were in total also eight smaller pyramids on the Giza plateau in Ancient Egypt. To many, it is clear that the three larger pyramids refer to Orion's Belt. These three pyramids were built below the surface of our home planet, just as these three stars are above in the sky ("As Above, So Below"). More info...
